EQP PRICE:
\$58.00 (C)

ITEM: BBMUNCH (with modifications)

An e-commerce company was looking for an upscale onboarding gift for its new hires. Its budget allowed them to swap in several high-end items to match the brand's overall feel. They started with our Munch Appreciated kit because they loved the artisanal snack selection and modern color palette. They chose to swap out the Showtime Selfie Light for the Boxanne Wireless Speaker to increase value and appeal to their employees.
